

i	will not understand you and					they				
they	will not understand you,					they will				
	don't	listen				they will	not		you	
	i	listened				they will see	not like		you as ignorant	
	don't	listen				they will see			you as ignorant	
you	will					to	them			
you	will	not				to	them and			look where i am now
you	will	not	listen			to	them and			you'll live for ever
you	will									
you	will	never								
you	will	never	come back							
you	will		come back but	you will be different						
you	will		come back but then	you will go back						
you	will		come back but then	you will go back						
	don't	listen				to them				
						they will	not like		you	
						they do	not			exist
							nothing			exists
						because	anything			exists
						then	everything		is as bad as it	seems
	in	summer								
	in		winter							
and	in		spring							
	in	summer								
	in	winter and in	spring
